School Digital Citizenship Plan 2024-2025

Relevant contextual information about your school and School Development Plan:

- Unique setting with a diverse and complex population
- Grades 1-6
- The School Development Plan: Students experience of a welcoming, safe, caring and inclusive learning community will improve.

Relevant evidence and data that informs your Digital Citizenship Plan:

- Many of our students are new to using digital tools for learning
- Many of our learners have complex behavioural and academic profiles
- Many of our learners use technology unsupervised in the home
